

MotivAsia 2003

Bringing the World of Motivation to Asia

18 November 2003 • The Rock Auditorium, Suntec City Mall, Singapore

"Life takes on meaning when you become motivated, set goals and charge after them in an unstoppable manner." - Les Brown -

Motivate a man, and he excels for a day; teach a man how to motivate himself, and he excels for a lifetime. Motivation is the key to making things happen in your life. Whether large or small, all of your goals and dreams can be realised with the power of motivation. Do you want motivation? Do you want inspiration? Do you want to wake up each morning feeling fully motivated and ready to go for the whole day? How can you sustain it?

MotivAsia 2003 brings you world-class speakers and best-selling international authors who will show you how all things are possible. Take a look at this dazzling array of presenters:

Create More Value!

Special Key-note
Address

Manifest Your Vision!

In tough times people want MORE for their companies, MORE for their time, and MORE for their hard earned money. If you want more customers, more orders, more donuts, diamonds or dollars...you've got to GIVE people more of exactly what they want. If you want to be more valuable, you've got to create more value!

But how do you do that when people want so much? They want higher quality, better price, more attention, greater choice, faster delivery and endlessly impeccable service. But you can't do everything. So you better do the right thing.

Ron Kaufman, innovator, motivator and best-selling author of *"UP Your Service!"*, will show you how to give more...to get more in your professional and personal life.

Motivation and the Stimulus Factor

Based on world-wide research for his best-selling book *The Stimulus Factor* (the new dimension of motivation), Dr David Freemantle will demonstrate, with many practical everyday examples from Singapore and from around the world, how motivation has to be stimulated in order to achieve high levels of performance. This session is guaranteed to be highly thought-provoking and very stimulating!

Dr David Freemantle
Author of *"The Eight Suns of Asian Service"*, *"The Stimulus Factor"* and *"How to Choose"*

Why do you get up in the morning?

What do you really want out of life? To be a slave to you; to slog for the 5Cs; or to spend more fulfilling time with your loved ones and friends? Paul Stefansson will share with you the powerful value-based coaching process that will help you to focus on and achieve your personal lifestyle goals. Your mornings will never be dreary again. You will learn where to expend your time and energy. You will wake up with a sense of purpose each morning and with a spring in your steps!
