Before you decide whether you will benefit from this seminar, ask yourself these questions:

- Do you find it difficult to get your point across clearly?
- Do you find it challenging to establish immediate rapport with people face to face or on the telephone?
- Do you struggle to find the right words to express how you really feel?
- Do you feel tense, nervous or anxious before talking to authoritative figures or groups of people?
- Would you like to become a more assertive and consistently confident communicator?
- Would you like to make a more attractive first impression?
- Would you like to find out how you can project a more likeable and confident self when you speak to others?

If you have answered "Yes" to at least 3 of the above, this Seminar is for You! This programme will help you professionally and personally.

No one is born with great communication skills. Yet the world's most influential and memorable leaders have all been extraordinary public speakers. Influential communication is an art form that can be nurtured and grown when you understand how to approach and follow a simple step-by-step process.

Each one of us has our own unique personality and style. Communicating masterfully is about how you can create a marriage between your internal strength and your external voice, so you can speak with confidence, in the world around you. It is about how you can bring your strengths, character and special gifts to fully express who you really are and connect with people.

In this seminar you will learn how to master both verbal and non-verbal communication over time. Deborah Torres Patel has helped tens of thousands of ordinary people become extraordinary communicators using a unique training system she created called Expressing You!®. It is designed to empower you to communicate clearly and effectively while having fun in the process because it is not only the message but also the messenger that must come to life!

At the end of the seminar, you will learn how you can:

- Bring your message to life – 'DO using your body, voice, language, presentation and your audience;
- Increase your effectiveness and clarity;
- Get your message across every time;
- Create a positive and powerful first impression;
- Release physical tension, stress and stage fright;
- Reach out to people and connect with them being who you are.

The ability to present yourself and your ideas powerfully has never been more important than in today's dynamic information age. Speaking well can influence other's views, close a deal, motivate your team, enhance your business, and elevate your reputation.

Come and join us in this fun, practical and productive seminar! Discover how you can become an excellent communicator! If you are ...

- Searching for your own special gift to share with others;
- Looking for how you can shine brightly in your own, magnificent way;
- Finding out how you can get the courage, to be uniquely, creatively, and powerfully, Expressing You;

You'll greatly benefit from this exceptional learning experience where you can learn to enjoy the process of lifting your voice up, taking your spirit higher and bringing your communication to the next level.
