"Image isn't everything, but without 'it' you may not receive all that you're worth and all that you deserve. Image creates greater Wealth, Reputation, Success and Clout" — Robert Panté

"Are your Image, Communication skills and State-of-Mind consuming people's memory in a most positive way? If not, you'd better polish up your presentation skills, now." — Robert Panté

Image is influencing people constantly. At a glance, people make decisions about your success, your creativity, your character, your health *and your future* — all from the way you dress, speak and groom. Image is a silent, potent message to the world that will either assist or assail your mission and purpose in life. Changing times and your personal goals demand that you take a savvy and discerning approach to your personal presentation.

Whether you are working in a traditional corporation, a high-tech environment, in the entertainment industry, or a home-based business, people need to know who you are before you speak.

In this powerful and world-renowned programme, Robert Panté brings to bear all of his knowledge and wisdom on fashion for professional men and women. At this highly entertaining yet powerful seminar, you will discover the following:

- Mastering the art of making the most positive, powerful impact!
- Image and grooming, along with clothing, communication skills convey messages of your: Character, Believability, Confidence, Attitude, Sophistication, Integrity, and Rightness for the job.
- Success as a "look" as well as a state of mind.
- Master and excellence are your "keys" to great prosperity, wealth, promotions, and success.
- Developing a "personal style" that empowers you.
- Every act of purchasing clothing is an act of "self-definition" ... How others perceive you!
- You tell me where you seek to be in your career, and I will advise you how to get there!
- Image impresses others and imprints deeper than words; -- Use this opportunity to get the most current and appropriate image consulting from the world's leading image consultant and personal stylist.

- Wearing clothing is to: Announce! Fully express! And to convey your authenticity!
- "Smart dressing" is an art and a science.
- In business, you must "fit in" or you'll look out of the loop.
- Your image is empowerment.
- You are in the "public eye" whenever you participate in a business situation.
- You can never dress in a neutral way; you are "always" making a statement of some kind.
- In business, our look needs to be: Congruent! Consistent! Convincing! Confident! Believable! Composed!
- The "fifteen must knows" for impactful and appropriate business dressing
- Developing "personal style" for your greatest impact is what Robert Panté is all about. It is what your clients and customers "perceive" and "value" that is most important. Do you know how you look and appear to others?

Having conducted over **2000 keynotes, seminars and workshops**, Robert is playful and entertaining — holding nothing back — for the sake of empowering others. Always enthusiastic, inspiring and cheerful, his accessible style of speaking resonates with a sense of mission recognisable to all.
